

# Automated Commercial Environment—Requirements Recommendation

<b>Date:</b>	July 27, 2001
<b>Number:</b>	ITD-004
<b>Requestor:</b>	ITDS Sub-Committee
<b>Customs Co-Chair:</b>	Don Kusser
<b>Trade Co-Chair:</b>	Tom Anastasi and Sandra Scott

<b>Requirement</b>
<b>Census Country of Ultimate Destination</b>
Census will extract import statistics from entry summary data.
If entered merchandise will subsequently be exported from the United States the COUNTRY OF ULTIMATE DESTINATION will be reported in the entry summary line item. A Country of Ultimate Destination will not be reported if the entered merchandise will not subsequently be exported from the United States.
NEXT STEPS: Reconfirm that Census requirements are covered by the NCAP/P Entry Summary CUSDEC.

<b>Business Need</b>
Census requirement.

<b>Technical Need</b>
